This Handy End-Wrench Set Fits Your Pocket

Set above consists of 5 sizes of heads: 3/8", 7/16", 1/2", 9/16" and 5/8". All heads are conveniently thin and have narrow jaws for close quarter jobs.

XCEL

MULTI-HEAD WRENCH SET

You'll use these wrenches every day . . . Five convenient sizes of heads and straight handle—all encased in a strong lacquer-finished, pocket-size box . . . Heads snap on easily and hold stubbornly . . . Guaranteed to strip the thread on any standard bolt, or break it, without spreading the jaws or harming the wrench . . . See your dealer, or send $1.75 for post-paid set.
